## INVITATION

Polish student members of SGA have the honor of inviting you to participate in the Meeting and Fieldtrips of the "Baltic Student Chapter SGA Meeting", Cracow, Poland, December 6-9, 2011. The Meeting will be held at the AGH University of Science and Technology at the Faculty of Geology, Geophysics and Environmental Protection. It includes pre-session trip, participation in the Student SGA Sessions, and also sightseeing Cracow, the old capital of Poland. Proposed topic of this Meeting is: Ore deposits 2011.

The Student SGA Scientific Session at AGH-University of Science and Technology is organized during the celebration of the Miner's Day.

This meeting is organized by supervision of scientific workers of the AGH-UTS.

### *Organizing committee:*

The Baltic Student Chapter SGA Secretary: Marta Sośnicka

The Baltic Student Chapter SGA Treasurer: Gabriela Lato

Webmaster: Tomasz Ćwiertnia

Technical support: Władysław Zygo

### *Scientific Advisors:*

Prof. dr hab. inż. Adam Piestrzyński

Dr inż. Jadwiga Pieczonka

Dr hab. Jaroslav Prsek

### *Sponsors:*

SGA Society for Geology Applied to Mineral Deposits

AGH University of Science and Technology

**1. Registration opening: 01/09/2011**

**Registration deadline: 15/10/2011**

**Conference fee: 10€**

**Abstract submission deadline: 15/11/2011**

Registration form and abstract template are available on the Baltic Student Chapters SGA website:

<http://www.sga.agh.edu.pl/>

In order to register, filled form has to be sent to the Chapters Secretary by e-mail:

[sosnickamarta@geol.agh.edu.pl](mailto:sosnickamarta@geol.agh.edu.pl)

**2. The authors are encouraged to prepare oral presentation, maximum 10-12 minutes. Poster Session will not be held.**

**3. Fieldtrips**

**The number of participants is limited.**

Order of registration is taken into account and the priority is given to participants submitting abstracts. Colloquially first come, first served ☺

Each participant is responsible for any personal injury, damage, loss, accident and medical care to private property. **During fieldtrips to the underground mines an insurance policy is required.** The mine supplies the visitors with full equipment.
